SANKT PETER CAFE: VENUE SPECS 2017

Basics for the use and care of sankt peter

1. sankt peter is and will always be: a church.
2. All christian values and religious denomination, as verbalised in the order of the evangelian church in Hessen and Nassau, are the basics for the candidness compared to the different-minded.
3. The dignity of man is inviolable. To respect and protect is our utmost concern.
4. No one must be excluded because of their nationality or race, of their gender or sexual identity or religious conviction.
5. Racist and fascistic ideologies contradict this belief! Any distribution and public profession of sympathy are forbidden!
6. Sexist representation in pictures or actual action, like the presentation of largely undressed persons for sales promotion, are not allowed!
7. The spread of violent content is not allowed!
8. The law for protection of youth in public is important to note!
9. Serving alcohol to obviously strongly intoxicated persons is not allowed!
10. At public events no brandy beverages are sold!
11. The consumption of alcoholic beverages must not be supported by the drink prices!
12. Smoking in sankt peter is not allowed!
